

## Let's "BET" on the Tail of the Dragon!

Join us on October 13, 2018 for a drive to experience the Tail of the Dragon at Deal's Gap. Designated US 129, the road with 318 curves in 11 miles is bordered by the Great Smoky Mountains and the Cherokee National Forest with no intersecting roads or driveways to hamper your travel. Be cautious as the turns are tight, but the Tail of the Dragon is guaranteed to be the ride of your life.
