

August Karting Event

Date: 8-9-18

Time: 6pm

Place: GoPro Motorplex
130 Motorplex Drive
 Mooresville, NC
704 696 2926

Info: <http://www.gopromotorplex.com/>

Details: If anyone wants to ride with me I will be in the Harris Teeter Shopping Center and will plan to leave for Mooresville by 4pm, I have room for 6 additional people. The Northern Mtn Region is also contacting surrounding Tarheel BMW CCA areas to see if they want to meet us, who knows an informal race between regions may just develop!!! This meeting will be in lieu of our regular 2nd Monday AUGUST meeting at Peppers.

Please try and attend this event, this is a "just for fun" event that can certainly improve driving skills and let the fun happen. We have chosen an evening since this is an outdoor facility and heat can be an issue, we have chosen a Thursday night so as not to interrupt any ones weekend summer plans.
