

## **Drive the Devil's Whip!**

Join us on September 15, 2018 for a drive to experience the Devil's Whip and more of NC Route 80, which is 12 miles of pure adrenaline and challenge!

Preliminary plans are to leave Charlotte around 9am, travel some cool roads up to Marion, NC. There we go North of 226, then to 221 and finally to 221A which is called the Diamondback for a very good reason and ends in Little Switzerland. We'll take the Parkway over to Route 80 where we continue on the Devil's Whip to Burnsville. Then over to Roan Mountain, back east and likely wind up in N. Wilkesboro.
