

# Cruisin' the Carolinas

## Driving tour of the NC mountains and SC foothills

Warm up the summer tires in late March and head to Pisgah Forest for some driving fun from the NC mountains to the SC Piedmont and back. Our route will include some great twisty roads: route 276 down through the Mountain Bridge Wilderness then up route 176 to Rosman, with scenic stops along the way at Symmes Chapel (aka Pretty Place), Table Rock overlook, and Sassafras Mountain (bring some walking shoes). We will grab some home-style cooking for lunch at the Country Skillet Diner in Rosman, then, for those who could use a little more time behind the wheel, we will head further up into the mountains on route 215 to view French Broad Falls in Balsam Grove.
