Unfortunately the rain did not go away as wished. With a 60% chance of rain on Friday eve and 30% to 40% on Saturday the picnic grounds may very well be a bit soggy. Therefore, it is best to have the picnic another day. Hope Jul 17 will be a better day for us to get together.

## Alternative Gathering

Instead of getting wet, we will now meet at one of our favorite spots: Persimmons in New Bern

Time: 11: 30 AM

Address: 100 Pollock St
