

Fellow Tarheel BMW CCA members:

HELP WANTED

Our esteemed newsletter editor who has served us for over 20 years is retiring and will not be running for re-election next year. He will be available to help transition a new editor into the job.

Our FOOTNOTES newsletter has been published every month and has provided us a great history of all of the activities of our members throughout the year.

If you have some or more of the following capabilities in your toolbox, please consider helping your fellow Tarheel members out. I can provide more details or you can contact Bob Blood and he will be happy to fill you in.

Skills:

- Familiar with typical content and editorial style of Footnotes newsletters
- Ability to plan and maintain deadlines
- Writing, editing and proofing skills
- Layout and design skills
- Basic photo editing skills
- Ability to use Adobe InDesign and Photoshop software a strong plus

Our fantastic team of volunteers who make this chapter what it is would like to ask you to become a part of this group to continue to maintain the communication and information capabilities that Bob Blood has been doing for a long time.

Thanks,

Your President

Paul Dunlevy
